foreward

At ease? Or foreward? Forewords—mere cumulations of words plus inspirational phrases are commonplace and rate no more than a glance—but FOREWARD is different; it connotates action!! In this spirit let's throw out trite words and wornout sermons; let's roll up our sleeves, and give the command "Foreward for Results." Enough blue prints, alumni predictions, architects' drawings, and sundry intangibles—Millikin's future lies in the present . . . not in speculator's future deliveries. The fundamental purpose of this yearbook is to record the per annum student and administrative history of the university. Has progress at Millikin inscribed its mark during 1948-49? Ah yes, Abe Lincoln came to Millikin, but he's at a standstill.

You can pick from the files any copy of the Millidek for the past twenty years and find the same repetitious material inscribing in glittering generalities the progress of the fold of JMU. It is the university's place to stimulate and originate progress—are the facilities of Millikin accomplishing this? Look at your university, look at yourself individually and answer this question!

We of the Millidek staff believe in molding progress . . . not following progress. In the hope of casting off the old this year's Millidek has been renovated—a new cover, new internal design, new color photography—We've started our own march FOREWARD!

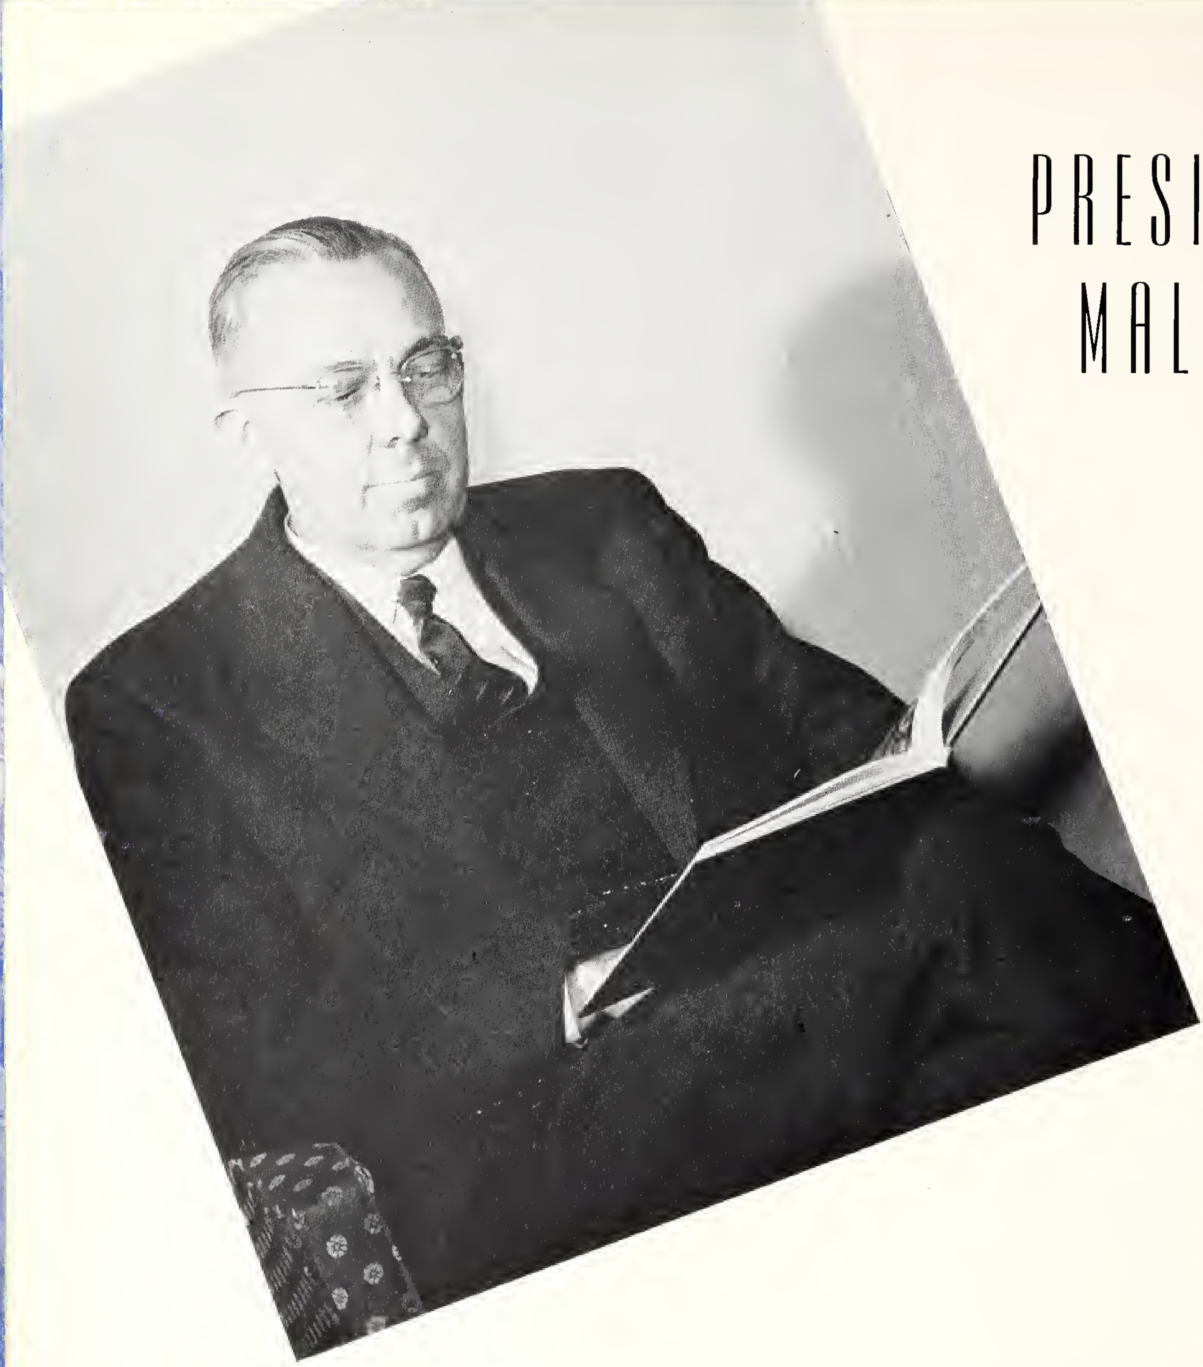
PRESIDENT MALONE



Completing his fourth year on the Millikin campus, President Malone has continually maintained his efforts at improving and guiding JMU. Millikin's accomplishments are his main consideration, and it is through his motivation that Millikin has taken its place in the better recognized schools of Illinois. A program of expansion and the embryo of new buildings are being fostered by the prexy's interest not only in the improvement of the school, but in making it one of the best.

A warm greeting and a friendly word at all times have endeared the prexy to the students on the campus. His understanding guidance and sympathy have served as an inspiration to those who know him, and will serve as a standard for future years.

ADMINISTRATION

DEAN MILLER

Dean C. L. Miller has consistantly maintained his position as student counsellor and administrator of school affairs. He has never failed in his duty to the student body in solving scholastic and personal difficulties which would seem comparatively insurmountable without his efficient guidance.

With the increased enrollment in the past few years, his task has been no easy one, but he has helped maintain the spirit and timbre of the traditional Millikin life.

DEAN FALVEY

In her first year at Millikin as Dean of Women, Miss Frances Falvey has coordinated the social calendar at JMU and entered her own assistance in making outside activities as well as scholastic affairs an enjoyment to the students. The men as well as the women over whom she holds counsel have recognized her willingness to cooperate for the best advantage of the students.

ADMINISTRATION

DEAN E. W. PLOENGES

Veterans Counsellor—Mathematics

Under the stern eye of Dean Ploenges the veteran students receive guidance and a helping hand. His office thrives on results and deserves commendation for a job well done.

STUDENT COUNCIL

Secretary	Jean Cornwell
Treasurer	Arthur Allaben

The Student Council has constantly acted as a buffer between the student body and the administration during the year of 1948-49, effecting numerous changes for the good of the students. Clearing up the misunderstanding about the grading system, the council worked with the administration to make a definite stand against a rigid grade curve. A new budget system makes it possible for free activities to be offered to the school. The Council was instrumental in changing the women's residence hours and scheduling activities so that only certain nights of the week may be used for organizational meetings.

One of the main projects of the Student Council for the year was the ratification of a new constitution. Numerous social activities were offered in the form of several mixers, the Sadie Hawkins Day Dance, back to school dances for both semesters, and the variety show, displaying the talent of all the Greek organizations on campus. The new dance floor and the paintings in the Sub were also arranged by the Student Council.

In the way of charity, the council sent out baskets at both Thanksgiving and Christmas to families needing aid, and at the beginning of the year, they fostered a drive for contributors to the Red Cross blood bank.

Although they have received considerable censure from many quarters, the members of the Student Council have continued to perform their duties and act for the good of the student body.

FACULTY ADVISORS

Dr. Leo Stine Mr. Howard Rice

The Millikin Independent Association, newly named this year, incorporates the independent students on campus. This year has been one of the top years for expansion and organization. Large turnouts to meetings and parties were the rule, rather than the exception. Under the guiding hand of President Jostes, an all out effort was made to induce the independent students to join the association.

On the social side, a Thanksgiving dance was held in the Millikin gym. The highlight of the social year was the "Hard Times Party" held the latter part of March.

Gay Young, the independent association homecoming queen candidate, won the student election and served as Queen, reigning over the lighthearted homecoming festivities. Gay was also selected as a representative in "Who's Who in American Colleges," served as president of W.A.A. and was elected W.A.A. girl for the year.

On the gridiron, Lavelle Staley, an outstanding guard, was named captain of the 1949 edition of the "Big Blue." Other stars were Ralph Ambler, who was given honorable mention all conference, Dan Heeley, Ralph Martini, and Jack Allen. Ralph and Rex Hopkins, Charles Duncan, and Vic Trumper rounded out the baseball team. Independents were also active in many other realms of sports as well as the intramural program.

CHAPEL COMMITTEE

Harry Lewis, Janet Weber, William Tombaugh, Shirley Clausen, E. I. Abendroth, John Vrooman.

The Chapel Committee is responsible for the weekly chapel services that are held on campus. Students assisted in the services and frequently outside speakers were arranged for. Speakers from many denominations have appeared during the year. Special services were held at Christmas and at Easter.

STUDENT CHRISTIAN ASSOCIATION

E. I. Abendroth, Jo Anne Williams, Dorothy Morse, Charlotte Ann Brown, Katherine Mullinax, Robert O. Williams, Jack Hart.

It is the function of the SCA cabinet to promote and organize the religious life of the campus. The cabinet seeks to unite all students interested in deepening and enriching religious conviction through study, worship, fellowship, and directed action. Activities of the Association include daily devotionals, Bible study, social education and action, fellowship programs and deputation teams to near-by churches. SCA assisted in promoting the WSSF drive and sponsored a Freshman Camp for incoming students.

ASSEMBLY COMMITTEE

Snoeyenbos, Dennis, E. McNabb, Flack, Meikle, Lukey.

The assembly committee is responsible for the weekly assembly program. There were a number of innovations in the programs this year: a series of lecture-forums on The Meaning of the News was conducted by Dean Miller and Dr. Gage; opposing political candidates for national office shared the platform for speeches and open forum; the freshman class presented a variety show; four Millikin debaters led a panel-discussion; assemblies were exchanged with Illinois Wesleyan; greater emphasis was placed upon excellence of on-campus talent.

Off-campus lecturers and entertainers included: The Kneisel String Quartette, Dr. Carroll B. Malone, Dr. C. Herman Pritchett, Julia Bock Miller, Gertrude C. Neidlinger.

At the Charleston tournament, Millikin scored high when the team of Warner Davis and Luke Thornton won all four of its debates.

Four of the regular debaters gave a demonstration in assembly during the year, discussing the national question "Resolved: That a plan for federal aid to education in tax supported schools should be adopted."

In addition, they presented Eva LeGallienne, famous actress, who dramatized scenes from great plays.

In addition to numerous speakers and social hours, the group again sponsored a writing contest with cash awards, the winning entries being printed in the Comet, a magazine printed annually.

Joyce Boden served as president of the group, and Dr. Maxwell, and Dr. McNabb were faculty advisers.

ALPHA PHI OMEGA

President........................Paul Berry
Vice-President...............Walter Walker
Secretary ....Robert Guthrie
Treasurer..................Howard Hawley

Alpha Phi Omega was recognized on the Millikin campus in October. The group, which is made up of former Boy Scouts, was initiated into the fraternity the following February.

Being a service fraternity, Alpha Phi Omega crosses all lines of honorary, social, and professional fraternities, and thus members of other campus organizations may also be active in this fraternity. Activities included the construction of the Homecoming Queen's float, the sponsorship of the Ugly Man contest, and assistance in the W.S.S.F. drive.

ART CLUB

Back row: Sewell, Knoop, Henneberry, Strain.
Middle row: Davidson, Heinle, Lawson, Krenzer, Zeaman.
Leaning: Price, Lige, Jones.

The art club, in its initial year of existence, undertook many activities, all of them successful. With Betty Price as president, they sponsored two dances, one for members only, and another a spring dance.

They added a novel twist to the W.S.S.F. carnival with their booth, and artists sketching portraits. With their sponsor, Mr. Lloyd C. Miller, they made trips to St. Louis, Springfield, and Champaign to attend art exhibits.

At various times during the semester, the members had their own art exhibit up in the Tower Studios, each member submitting at least one of his own creations.

SIGMA ZETA

Left to Right: Rennier, Curry, Strocher, Tipton, Mr. Bolen, Short, Dr. Smith, Eifert, Schmalfuss, Brauer.

In 1943 Pi chapter of Sigma Zeta was incorporated to promote a better understanding of science through group research and association with students in the various fields of science. Membership is limited to those in the departments of physics, biology, and chemistry. Each prospective member is required to read an acceptable paper on some subject in the scientific field before he is considered for membership.

CONCERT BAND

CONCERT BAND

Under the competent direction of Mr. Howard Akers, the Concert Band has participated in many activities this past year. Besides two assembly concerts, the band gave concerts in Peoria, Pekin, Maroa, and Moweaqua. On April 6, the band gave its second annual "Musical Moods" concert at the Masonic Temple. This show was sponsored by the Lions Club. The band in their new uniforms performed at all of the home football games and led the Homecoming parade. They also travelled to Bloomington to give a show for the Wesleyan-Millikin game. The student body always looked forward to the assemblies of which the band was in charge.

Out of this years band grew a fine nineteen piece brass choir. The newly formed organization of all brass instruments appeared in public several times and broadcast over station W.M.B.D. in Peoria.

This year the band numbered 80 musicians who have done much toward maintaining school spirit as well as furnishing this vicinity with high quality band music.

Without the capable and enthusiastic direction of Mr. Akers, the band would not have accomplished the many things that it has this year.

CHOIR

The Millikin choir, under the able direction of Orville Shetney, a graduate of the Westminster Choir School, has had a very successful year. The choir has faithfully appeared in Chapel throughout the year, as well as presenting the Messiah at the Masonic Temple in December and the annual Spring Concert in Taylor Hall on May 20.

The choir made many trips to out of town schools and civic meetings of neighboring towns. These trips were enjoyed by all, but everyone is still anticipating the traditional choir trip in the near future.

Mr. Shetney's sense of humor and understanding nature toward the choir were an inspiration to all who worked under him. Without his loyalty and interest, the choir would not have been so successful in all that they undertook. A great deal of credit should be given to both the choir and Mr. Shetney for their outstanding contribution.

PANHELLENIC COUNCIL

President	June Figge
Vice-President	Pat Reding
Secretary	Nathalie Spence
Treasurer	Mollie Bence

The Council is composed of the president and the rushing chairman of each of the four sororities. Dean Falvey serves as advisor to the group.

Panhellenic's purpose is to bring about cooperation between campus groups. A reception for all new women students was the first of Panhellenic's activities, the second being the Panhellenic Dance held in October. As is tradition, this spring the council presented the annual Greek Sing, which has become one of the major campus events.

The work of Panhellenic consists mainly in planning the fall rushing schedules and supervising the rushing period in regard to regulations set up for the benefit of all organizations represented. All matters concerning Greek organizations are settled by the women's Panhellenic Council and the men's Inter-Fraternity Council.

INTER-FRATERNITY COUNCIL

The Inter-Fraternity Council is made up of three members from each fraternity along with respective faculty advisers. The purpose of the Inter-Fraternity Council is to promote good will and to bring about a better understanding on matters concerning the administration and problems of the fraternities.

This year's Council was instrumental in promoting many new ideas for campus betterment. The new book exchange and the pending all-school trophy case originated in Council meetings and were referred to the Student Council for action. A new Inter-Fraternity Constitution has been proposed in hopes of putting teeth into the Inter-Fraternity Council and to draw the Greeks on campus into a closer network.

James Eckman represented the Millikin Inter-Fraternity Council at the National Inter-Fraternity Council Convention held in New York City.

A reorganization of the intramural program was instituted by the Council. The third annual basketball banquet honoring the Blue cagers was held in March. While on the social side the Inter-Fraternity Council held its annual ball in the Orlando Hotel the latter part of March.

Each year the spirit of cooperation has grown through Council guidance. The Greeks look forward to continuing this progressive leadership for the unification of Greek interests.

Our first social activity of a very busy and successful year was a pledge dance given at the chapter house. Decorations were carried out by "buried treasure" and "pieces of eight" representing long ago pirate days and music was supplied by a five piece combo. A Christmas party for the chapter and a winter formal high-lighted the Christmas festivities. In February, the little girls from the Welfare Home were entertained at a Valentine party. The annual Honor's Day banquet given by the alumnae in April and the Spring Formal climaxed the year's social events.

The Alpha Chi's were well represented in organization and campus affairs this year. An outstanding office was that held by Julia Young who was elected vice-president of Student Council in an all school election. Another student council officer was secretary, Norma Stone. Elizabeth Schmalfuss served as president of the German club and Jane Brennan as the vice-president of the Spanish club. Active in Tau Chi Pi were Marge Shorthose and Marietta Althouse who held the offices of secretary and treasurer of this organization. Julie Young and Berneice Hoshaurer were co-junior editors for the Millidek. In the Home Economics club we were represented by vice-president Joan Riggs. Pat Reding, active in Pi Mu Theta was chosen for "Who's Who in American Colleges and Universities." A high light of the year was the crowning of Jo Ann Faulkner, queen of the W.S.S.F. carnival.

DELTA DELTA DELTA

This has been a big year for the Tri-Delts. Homecoming began the activities with Tri-Delts winning two prizes. Sarong-clad cannibals making a tasty stew of Illinois College won the cup for the best float, and the house decorations which included a 27-foot teepee with Indians sitting before a campfire whose smoke spelled "Heap Big Welcome Alumni" were awarded second prize.

Other activities included the pledge dance, Thanksgiving Eve Founder's Day Dinner, the Christmas formal held at Scovill's clubhouse, the Pine Party for the Alliance and the Mother's Club, an Easter Party for the girls in the Welfare Home, the Spring formal at the Orlando Hotel and the traditional Pansy breakfast.

Marilyn Aulabaugh, Phyllis Bridgewater, and Carol Miller represented Tri-Delta in Pi Mu Theta, women's honorary society. Carol Miller served as president of the Spanish club and secretary of W.A.A. Marilyn Aulabaugh was elected vice-president of the French club. Marilyn Morthland was chosen by Alpha Phi Omega, Boy Scout fraternity, as "Miss Liberty" was co-chairman of the W.S.S.F. drive. Beth Hamblen acted as publicity chairman of the W.S.S.F. drive.

In March, the city Pan-Hellenic council presented Tri-Delta with the scholarship cup in recognition of their achievement of the highest scholastic average among sororities on campus.

Homecoming opened a most successful social year for Pi Beta Phi. "Milli," a huge crepe paper fish, was featured on our annual float, while Mother Goose loaned us a poem for the giant story book page, which took third place in the house decoration contest.

The semi-annual pledge and initiation dances were held at the chapter house and the actives entertained the pledges at the traditional slumber parties. Several dinners were given throughout the year, honoring Dean Frances Falvey, Dr. Claude D. Dicks, Pi Phi faculty advisor, and Miss Peggy Dick, province president.

The highlight of the year was the visit of Amy Burnham Onken, Grand President of Pi Beta Phi. A tea, honoring Miss Onken, was held at the chapter house following the annual Founder's Day celebration.

Participation in the W.S.S.F. Carnival, Greek Sing, and annual Variety Show rounded out the Pi Phi activities for 1948-49.

Mollie Bence and Beverly McMillan were chosen to be members of Pi Mu Theta, woman's honorary scholastic society. Mollie also served as Business Manager of the Millidek and is listed in Who's Who in Amercan Colleges and

Unversities. Polly Proffitt and Ann Daigh were co-senior editors of the Millidek and Ann was treasurer of Conant Society. Polly and Sandra Lukey served in the Queen's Court for Homecoming. Mary Alice Johnson was secretary of Pi Kappa Delta, debate society and Alice Jones served both as treasurer of W.A.A. and secretary of the Home Economics Club. Gloria Weidner was treasurer of the Home Ec Club.

Biggest events of the season as always, were the "Frozen Fantasy," Winter Formal at the Orlando and the Spring Dinner Dance at Scovill Country Club, ending another great Pi Phi year.

Two Zeta Seniors, June Figge and Mary Shimer were elected by the University for Who's Who In American Colleges and Universities.

ZTA ended the first semester by being first in scholarship among the other sororities.

The second semester started off with a "bang" when "The Jailbird Jump" was given for the actives by the new initiates and pledges. The dance, given on March 19, was complete with guilotines, sheriffs, and hangmen's nooses. The chapter gave its last dance of the year, a Plantation Ball, on May 14.

Looking back to the school year, 1948-49, to the many and varied accomplishments that were attained, the Delta Sigs of J.M.U. point with pride.

Of the forty-three men pledged in the fall, thirty-eight of these were to make grades and be initiated. When the football season got under way, fourteen Delta Sigs donned uniforms, led by Capt. Don Shroyer. More than half earned the right to wear a letter sweater. In the election of class officers, the boys from 1235 West Main swept the field, taking eleven of the sixteen positions. Winning second place in the float contest with their immortal bottle, helped make Homecoming a success, not to mention the 35 to 0 victory over the boys from Jacksonville.

When excitement turned from the gridiron to the hardwood floor, D.S.P. never faltered in contributing their share. Led by Toby Althoff, who captained both the basketball and baseball team, and his boys, Scott Steagall, Eddie Root, and Captain-elect Pappy Ormond on the first team; and with Bill "Bruce" Day and Butch Esker on the Second Team, the men of Alpha Lambda chapter of Delta Sigma Phi, could truly be proud. People will talk a long time about the record breaking 90 to 69 trouncing the Big Blue gave Illinois College, and Steagall's over-powering 33 points which was also a new individual scoring record.

In intramurals, the boys fought a hard close fight to defend the trophy won the year before. At each dance, it seemed a better time was had than at the one before. They were the Pledge Dance, The Christmas Formal held on December 10, Founder's Day, the traditional Sailor's Ball, and the Spring formal on May 6.

The boys from North Fairview started the year off in a "rush" with the fall hayrack rides, bar-b-ques, and house dances rounding out the activities. The first dance of the fall social season was held at the St. Nick portraying a "Shipwreck Party." The highlight of the first semester was the "SAE Mardi Gras" held at the Orlando. The second semester social activities brought forth the "Tramps Tromp" and the traditional spring formal at the Decatur Club.

1948 produced an SAE football year with Brother "Dutch" Denton claiming all conference recognition and Brothers Johnson, Dickinson, Palmer, Hess, Messenger, Vaughn, and pledge Weisenmeyer earning their blue "M." Brothers Bob and Art Murray displayed their talents on the hardwood and Brother Earl Malerich took his place on the diamond. But Norman captained the tennis team.

Jack Hart and Earl Malerich were listed in "Who's Who," and Jack was elected president of the senior class. Jim Teckenbrock edited the Millidek and Bob Harlan served as sports editor of the Decaturian. Bob Gilason retired as all school vice-president and social chairman.

1948-49 has been a year of expansion, toil, and pleasure for the Sig Alphas. The big emphasis is being laid on building for the future. So far, extensive repair and remodeling work have been done on the house, but all look toward the new house that shines in the not too distant future.

The year 1948-'49 has proved to be Teke's bumper year for school activity.

A record class of 43 pledges were received into Beta chapter and helped make a success of the record number of social activities held during the year. The first semester's social whirl was capped by the "Sleighbell Ball," Christmas formal, held in the Orlando Hotel.

For the first time, Teke was awarded the Homecoming trophy for the best decorated house. With its copy of the Millikin seal and a giant burning torch of knowledge, TKE have a cheery welcome to the returning alums. Brother Bill Sutherland was co-chairman for the 1949 homecoming festivities. He was aided by Dan Logan, in charge of the Cavalcade of Talent, and Barry Short co-chairman of publicity.

Big Bill Sutherland again came through by being elected to the office of President of the junior class. Fraters Dick Ferry and Barry Short were intrusted with the editorship of the Decaturian for the year, and Luke Thornton won further recognition by his election as President of the Millikin student body.

Teke alums were prominent this year, too. Ed Keil, '42, was chosen as co-chairman of the alumns homecoming committee.

One of the brightest spots in the year was the unveiling of the new television set in the Teke chapter house. The curious have been to see and enjoy the new equipment since its installation.

On the sports front, the pledges of Teke again won the intra-mural football championship. Ending in a deadlock, the race had to be climaxed by a playoff game between SAE and Teke, tie for first place honors. Teke came out on the long end of a 14-0 score.

Brothers Dick Ferry and Barry Short were further honored by being selected as representatives of Millikin University in the national Who's Who in American Colleges and Universities publication.

Frater James Eckman was sent by the interfraternity board of Millikin to New York City as their representative in the National Inter-Fraternity Conference meet November 25-27.

The highlight this year was the 50th Anniversary dinner, Jan. 10, in the Memorial Center at Alpha Chapter, Illinois Wesleyan University.

The S.A.I.'s began their busy year by decorating a float for the Homecoming Parade, sandwiched in between rehearsals for H.M.S. Pinafore, an operetta, which was given by the S.A.I. and Phi Mu Alpha chapters.

Rush parties were given both semesters with four girls being pledged and initiated the first semester and fourteen girls being pledged the second semester.

The annual Rose Tea, given by the alumnae at Mrs. Clyde H. Tearnan's home, was an event looked forward to by all the S.A.I.'s.

The Sigma Alpha Iota chapter was a beehive of activities during the honored visit of the National First Vice President, Mrs. Thomas P. McAdams, with a formal musical, chapter meeting, conferences, pledging, and a formal banquet.

The S.A.I.'s participated in the Variety Show and the Greek Sing. An assembly program, featuring contemporary music, was presented in May. The annual Vesper Service was held at the Westminster Presbyterian Church as was the Founder's Day Banquet, honoring the Founding of Sigma Alpha Iota, December 1, 1904. The year closed with the annual Rose Dance, a spring formal, and a formal dinner.

Phi Mu Alpha Sinfonia is a campus organization devoted to music students and other musicians attending the conservatory and the university.

This year the Phi Mus provided music for the Homecoming Variety Show. The annual Phi Mu All-American show, a program of American music presented every year by the organization, was especially outstanding this year. Highlight of the program was an original composition by John Balamos entitled, "A Day in Old Constantinople."

During the Christmas season, Phi Mu Alpha conducted its annual caroling at various places around the campus and in town. Some places included in the caroling were Macon County Hospital, Boys' Opportunity Home, Dr. Malone's residence, and all of the fraternity and sorority houses. This marks the third year that the Phi Mus have helped establish the Christmas spirit.

Phi Mu Alpha has gained a wide reputation of renown for outstanding musical ability throughout the city of Decatur.

RALPH ALLAN
Director of Athletics

Ralph Allan came back to his alma mater in the fall of '47 as head basketball coach, filling the position vacated by Don Lindeberg. He produced a championship ball team and last fall he succeeded athletic director, Marshall Wells.

As the 1948-49 sports season got underway, Allan began to look to the future as far as athletics was concerned at Millikin. On paper the Big Blue looked fine, but on the field things weren't so good. Lettermen were plentiful—for the first string teams, but after that there was a big void. Experienced reserves were lacking in all the sports.

And so more and more men were asked to give it "the old college try." Eighty-six men reported for football, over fifty for basketball, and forty-five reported for baseball.

Also on the agenda was the thing Millikin has needed badly for years — a new field house. Allan set about this task in the only means possible—virtually a one man organization to raise funds for the project. Better relations between the alums and the school have been established, and it is now hoped that the field house can be a reality by 1955.

FOOTBALL

Henry J. "Whitey" Keil, in his first year as head football coach for the Big Blue, introduced the "T" formation offensive for the gridders to replace last year's single wing offensive.

Whitey was appointed as the Millikin grid mentor last spring replacing Marshall Wells. Keil assumed his duties here August 15. He came to J.M.U. from Carthage College where he was line coach and head baseball coach.

This year, the Big Blue, plagued by injuries, won 3 and lost 6 games, but the groundwork for next year's team has been firmly established.

For the first time since the war, Millikin gridders have had an intensive spring football drill. Three weeks of hard work, terminated with an intra-squad game, was part of Whitey's program to produce a winning football team here at Millikin in the near future.

With the coming of spring, Whitey again donned his black baseball cap, and after spring football drills, took over the coaching of the 1949 Big Blue track team.

"BIG RED" PAVES THE WAY

Big Blue On The Gridiron

Coach "Whitey" Keil received eighty-six enthusiastic football candidates for the first day of practice last fall and immediately previewed the "T" formation offensive that the Big Blue were to use this year.

Returning from last year's squad were seventeen lettermen who formed the nucleus of the '48 team. In the forward wall for the Blue were veterans "Dutch" Denton, Lavelle Staley, "Red" Johnson, Duane Palmer, Ralph Martini and Jack Allen. A newcomer to the lineup was freshman Hal Wiesenmeyer who did most of the kicking for the team. In addition, he converted successfully in eleven out of twelve attempts for extra points.

The backfield was composed of All Conference and Captain Don Shroyer, Dan Heely, Ralph Ambler, Bill Sutton, and freshmen Tony Innis and Don Hess.

Injuries haunted the Millikin eleven continually throughout the season. The nine game schedule was completed with a won three, lost six record and fourth place in the College Conference of Illinois.

Despite their .333 record, the Big Blue placed five men on the All-Conference lineups. Heading the list was halfback Don Shroyer, who led the Blue in scoring with thirty-six points.

Named to the first string guard position was "Dutch" Denton who played a fine game both offensively and defensively all through the season.

Second team nominations went to tackle Clarence Johnson and to end Hal Wiesenmeyer. Wiesenmeyer collected seventeen points during the season. Junior Ralph Ambler completed the list as he received honorable mention.

Two bitter defeats were suffered by Millikin this year at the hands of their rivals, Eastern and Wesleyan. The Panthers used nearly every means possible to score, while the Titans' aerial attack clicked to perfection for their victory.

Very pleasant indeed, though, was the 35-0 homecoming victory over Illinois College. Coach Keil had the boys keyed up for this game and even the rain and mud couldn't stop the Blue and White from rolling onward.

Western, Wheaton, and Carroll College effectively stopped the Millikin "T" formation and won by decisive scores.

The way to victory over Augustana was tough, but a brilliant 59 yard run by Shroyer coupled with a 12 yard pass play, Don Hess to Shroyer, proved enough to turn the tide.

The Carthage homecoming was spoiled as the Keilmen brought home a 14-13 victory. Shroyer figured in both Millikin scores as he passed to Bob McFadden for one and scored the second from the 4 yard line. Hal Wiesenmeyer's "automatic" toe kicked two perfect conversions to complete the victory.

The season ended against Lake Forest on a cold, muddy day. The Big Blue failed to capitalize on two early scoring opportunities while the Gold Coasters were building up a 12-0 lead. Ralph Ambler finally sneaked over for the first Blue tally and later Shroyer tossed a pass to McFadden for the second. However, the visitors had clicked on two long pass plays and won the game 24-14.

Captain Toby Althoff

The Big Blue's dominance of the Little Nine basketball world ended this year. For two consecutive post-war years, the Blue cagers had led Little Nine opponents on the hardwood courts, but losses to Illinois College and Wheaton, and a double setback by the Titans of Illinois Wesleyan added the coupe d' grace to Millikin's chances of winning this year.

The possibilities of the Big Blue repeating as conference champs looked good at the beginning of the season. Only two regulars from the 1947-48 team were missing, and returning were eight lettermen. Back in the lineup were Captain Toby Althoff, Scott Steagall, and Ed Root. The newcomers were Walter "Bud" Ormond and Bob Murray.

From a squad of some fifty-five basketball candidates, Coach Ralph Allan molded a varsity team of ten men who, had they received the "breaks" in the right games could have copped the C.C.I. crown. Instead Millikin ended the season with a 12-11 record. Among their losses were nine games that were decided by a total of five points or less. Four one-point decisions were against the Big Blue as were two overtime games.

On the bright side of the basketball ledger though was the fact that the Big Blue broke nine existing records this year. Sophomore Scott Steagall paved the way with his record breaking total of 486 points scored in the twenty-three games played.

1948-1949 BASKETBALL SEASON

The Illinois College game, always a grudge battle, saw Scotty again leading the "hit" parade as he dumped in a new individual per game scoring record of 33 points. Also broken was the team scoring record and the total game points mark. The 90-69 victory broke the old record of 86 points per game for the Blue, and the 159 total broke the previous mark of 156 set when Millikin suffered a 77-76 defeat by the Anderson, Indiana quintet.

Other records that were established this year were: (1) Highest average points per game by individual for season—Scott Steagall, (2) most points by Millikin in one season—1,584, (3) highest average points per game by Millikin—67.3, (4) highest average points per game by opponents—61.5, (5) most points by opponents in one season—1,412.

Opening the season against a highly trained Cape Girardeau outfit, the Blue and White cagers turned in a fifteen point 75-60 victory. Three nights later the visiting Normal team suffered a 60-41 defeat and then Eastern turned the tables on the Big Blue, 62-58.

Millikin finished off the pre-holiday schedule with wins over both Lake Forest and DePauw. The Ravens of Anderson, Indiana pulled an overtime game out of the fire and the Blue took out their revenge on Southern in a benefit game for the Flora fire department with a 64-57 victory.

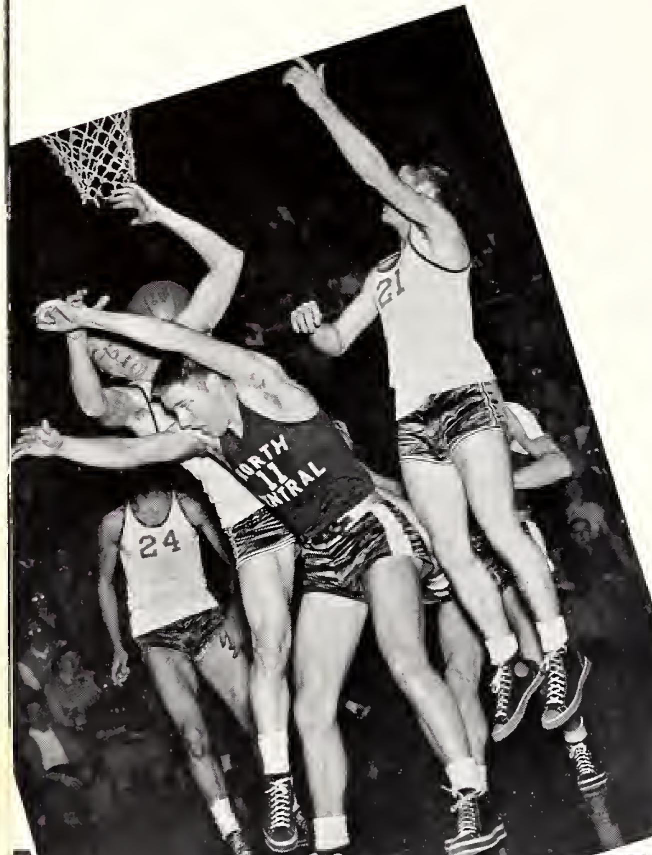
Highlight of the season was the Washburn Invitational tourney at Topeka, Kansas. The four team tourney saw Millikin drop another one point verdict and then turn back a "sky-scraping" Texas Wesleyan team for third place honors.

From this time on throughout the year, Millikin had trouble keeping themselves above the .500 rating in the won-lost column. The Panthers of Eastern won their second game from the Blue, Illinois College rubbed in a five point win, and big Al Miksis, of Western, flipped in a basket with one second remaining to give the Leathernecks a 68-67 victory.

Big Blue Cagers In Action

In the meantime, Millikin cagers had decisively turned back Elmhurst, Carthage, North Central, and Augustana in conference games.

Illinois College's Blueboys came to town with victory written all over their faces. The Big Blue sent them back home a much disgusted team as Scott Steagall set a new individual scoring record of 33 points and as a team, the Allanmen poured 90 points through the nets to establish another record.



Kintner gym was packed to capacity for the second encounter of the Big Blue with Wesleyan. Thirty minutes of hotly contested basketball were played before the Titans began to apply the pressure and Millikin gradually succumbed to an eighteen point defeat.

Next on the list was another benefit game —this time it was for the lettermen of JMU and in honor of one of Millikin's greatest athletes, Joe Catlin. Western's Leathernecks agreed to play in the contest and it proved to be one of the most exciting games played at home this year. "Pappy" Ormond sank two free throws and then heaved in a thirty foot shot to send the game into an overtime struggle. The personal foul exit route claimed too many of the Millikin players during this extra period and Western left town with a three point win.

The Anderson Ravens came to town for the last game of the year and their ace "Jumpin'" Johnny Wilson contributed thirty points to the cause, but it wasn't enough to down the fighting Millikin quintet.

Even with a season's record of just over .500, the Big Blue never let down their fighting spirit, and their games, both at home and away, showed a vast increase in attendance over previous years.

Big Blue On The Diamond

Frank Poneta stepped from the ranks of an outstanding collegiate athlete to that of coach immediately after his graduation from Millikin in 1947. Poneta graduated from Edwardsville High School and entered JMU in the fall of '40. The war interrupted his college education after completing his junior year, and he served as a lieutenant in the Navy for four years before returning to finish his senior year of school.

Here at Millikin, "Pony" participated in both football and baseball. On the Big Blue grid teams he played center, and on the baseball club he did the catching duties.

In the summer of 1947 Poneta accepted a position on the Millikin athletic staff as head baseball coach, succeeding Don Lindeberg; and he also serves as an assistant coach in football and basketball. Last year his diamond team won seven, lost eight, and tied one while placing seventh in the Little Nine Conference.

BASEBALL

With one of the most attractive baseball schedules in the history of Millikin to look forward to, over fifty men responded to Coach Frank Poneta's first call for baseball candidates. On board was a twenty-one game schedule with eight College Conference of Illinois games. Also included was a nine-day tour through the South during the spring vacation. The squad was gradually "whittled" down, with eighteen members making the trip to Dixie. Among them were ten lettermen from last year's team.

Graduation claimed only one man from the 1948 Millikin diamond team—Capt. Dave Hopkins, the second baseman. However, two major changes were effected which greatly strengthened the 1949 version of the Big Blue. The big hole left by Hopkins at the keystone sack, necessitated a switch from shortstop by Charlie Duncan. Fred Conville, freshman from Chicago, took over capably to complete the change. Otherwise the infield was intact with Captain Toby Althoff at first, and Ralph Hopkins at third. The other change saw left fielder Bill Smith move to behind the plate. His presence there was a big improvement to a position that was relatively weak last year.

In the outfield, veterans Earl Malerich, rf, and Rex Hopkins, cf, were the old "reliables" both at the plate and in the field. Completing the outfield was sophomore John Malerich in left.

The Big Blue pitching staff, weak ever since the loss of Al "Boots" Budde in '47, was once again "on its feet." Lettermen Quentin Hopkins and Ken Schroeder, along with freshman Dave Messenger gave coach Poneta a very reliable trio for the mound duties.

COACH KEIL CHECKS JIM LESTER'S START

TRACK

Coach Keil greeted the 1949 track season with a handful of returning lettermen and a host of freshman enthusiasts. Early practices and time trials showed possibilities of a well rounded team. This year's schedule consisted of six dual and tri meets in preparation for the Little Nine meet that was held at Millikin May 21.

MEN'S INTRA-MURALS

INTRA-MURAL MANAGERS

Bill Smith, DSP; Dick Jostes, Indee; Bob Scherer, Senior Manager; Bob Murray, SAE; Dick Hardy, TKE.

The 1949 Intramural program has been under the direction of Bob Scherer, senior manager, and the four organizational managers. Last year's champions, the Delta Sigs, continued to dominate the field and clinch their second championship. A new addition this year was the basketball all-star game, for the benefit of the Jane Fisher school in Kobi, Japan.

Second Row: Parr, Pacioni, Schroeder, Gehrig.

BASKETBALL CHAMPIONS

First Row: Johnson, Gehrig, Smith, Schroeder.
Second Row: P. McFadden, B. McFadden, Parr, Pacioni.

First Row: Staley, Baker, Lester, Hess, Harlan, Kowalski, Heely, Schroeder, Vaughn.
Second Row: E. Malerich, Murray, Norman, Shroyer, Hazenfield, Ball, Sutton, Root, Dickinson.
Third Row: Rotz, Martini, Green, Johnson, Ormond, Day, Esker, Wiesenmeyer, Messenger, J. Malerich.

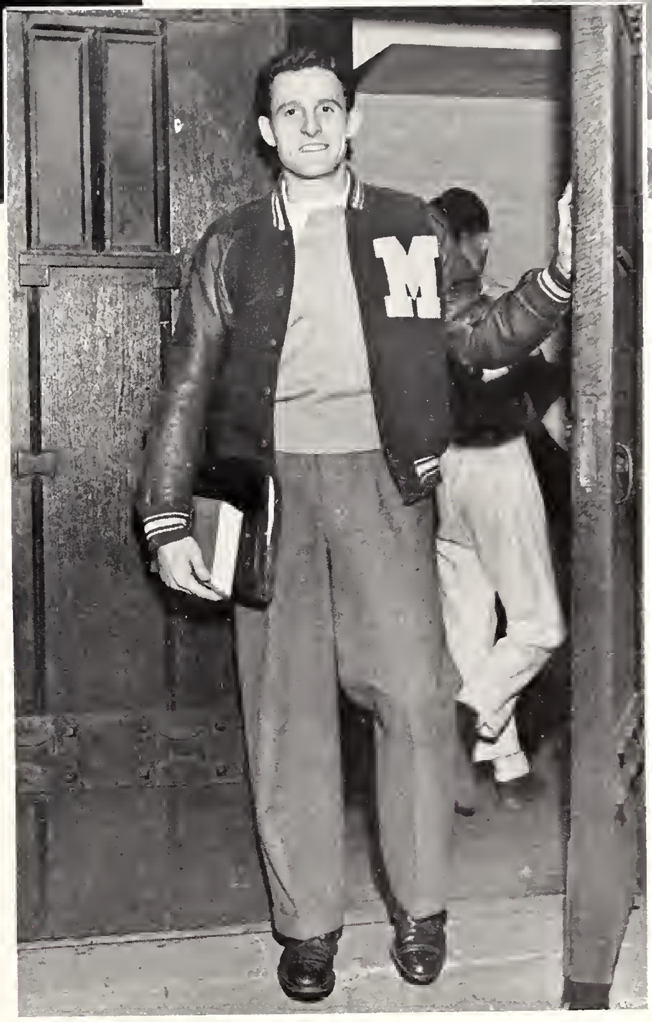
With the beginning of the second semester, 1949, came the reorganizing of the Millikin's Lettermen's Club. The "M" club, at one time before the war, was very active, but was abandoned for various reasons and was inactive for several years. This year, mainly through the efforts of Clarence "Red" Johnson, Millikin star tackle, and "Whitey" Keil of the coaching staff, the "M" club was once again organized.

The first Lettermen's Club meeting was held at the gymnasium the first week of the second semester. Officers were elected with the stipulations that they serve one year, mid-year to the following mid-year, and that they be a Junior in school. "Red" Johnson was elected president, Lavelle Staley, next year's football captain, vice-president, Dan Heely, treasurer, Bob Murray, secretary, and Bill Smith, publicity chairman. At this meeting, a constitution was adopted, committees were appointed to plan future activities, and provisions were made for payment of dues.

The organization adopted the plan of sponsoring a benefit basketball game for the purpose of establishing a fund to be used as a tuition grant for some deserving letterman. A letterman, not having completed his sophomore year, will be selected to receive the grant according to scholastic attainment, athletic prowess, and need. The benefit game was held February 23, at Kintner gym and was named the JOE CATLIN Memorial Benefit game in honor of a former Millikin star of the twenties who died in Alaska in 1948. Western State Teachers of Macomb, Illinois was named the Big Blue's opponent for the night. The leathernecks of Macomb won the benefit game from Millikin 59 to 56 in a thrilling overtime battle. The game was considered a success in all respects.

The Millikin "M" Club is rapidly developing into the strong and beneficial organization that is so important to the activities on the campus of a good university.

MILLIDEK M-MAN



This year's Millidek staff, in hopes of starting an annual award to the outstanding senior athlete, has elected Toby Althoff the Millidek "M" man. Recognition is based upon athletic service, scholarship, extra-curricular activities, and school service. Toby has captained the basketball and baseball teams and won eight varsity letters during his Millikin career. He's a member of the Delta Sigma Phi fraternity, Who's Who, was named I.M.U. outstanding athlete of the year in 1948, and attained recognition on three all-conference basketball teams.

The Millidek staff is proud to salute Toby Althoff as the first recipient of the "M" man award.

W. A. A. GIRL

Gay Young, senior Independent from Hillsboro, was chosen W.A.A. girl for this year. Gay served as president of W.A.A. and four years as an intramural manager and participated in all the activities of the organization. She was a member of the speedball and basketball all star teams. The basis for the choice of the W.A.A. girls is determined by scholarship, service to W.A.A., leadership, skill, other campus activities, sportsmanship, and personality. Gay was selected by a committee composed of the adviser, officers, and the intramural managers of W.A.A. and the editor of the Millidek.

WOMEN'S ATHLETICS

TOWN AND GOWN

The Town and Gown players presented Carlyle Moore's Broadway success "Stop Thief" December 3 and 4 for the first of its semi-annual productions.

The play deals with a thoroughly confusing afternoon of wedding preparations in an endeavor made by the Carr family to unite their daughter Madge with James Cluny. Mrs. Carr, slightly deaf and highly fidgety, hires a "lady's lady" to help with the preparations; but it develops that the maid has sticky fingers and a boy friend accomplice with big ideas for running off with the wedding gifts.

The "perfect crime" is made seemingly easier by the fact that Mr. Carr is absent-minded and thinks he has merely misplaced the stolen items, and both he and Cluny finally decide that they are kleptomaniacs and are to blame for the disappearance of the gifts.

The romantic interest triumphs in the end, however, and the wedding takes place as planned, with the addition of the maid and her boy friend, who have decided to go straight for good since they were caught with the goods anyway.

The cast for "Stop Thief" included:

Nell	Barbara Hall (Gown)
Jack Dugan	Herbert Joys (Gown)
Madge Carr	Marilyn Aulabaugh (Gown)
James Cluny	Dan Logan (Gown)
The Minister	John Dunnell (Gown)

TOWN AND GOWN

The Town and Gown players turned to the more serious side for their second production of the year, "The Winslow Boy" by Terence Rattigan, under the direction of Dr. L. C. McNabb, assisted by Creighton Lewey.

The play is based on one of England's most colorful trials of modern times, the Archer-Shea case. In actual life, it was the first case in which an individual won the verdict over the British government.

In the play, young Ronnie Winslow, pride and joy of the family, is dismissed from an English government school on seemingly conclusive evidence of theft. Ronnie's father, having implicit faith in his son, hires the most prominent lawyer he can find to handle the case. Through the years that the legal fight continues, the fame and infamy of the situation spread over the entire country, and the Winslow family become impoverished and ostracized socially. Another son, Dickie, is forced to leave school because of lack of funds.

The romantic interest enters into the scene when Katy, the older daughter of the family, has trouble making up her mind between two men.

The case is triumphant for the Winslows and Ronnie is cleared, but the play doesn't end on the traditional happy note, for the family has endured too much by the time the truth of the theft is learned.

The cast for the play was:

Ronnie Winslow	Robert Cook (Town)
Arthur Winslow	Dan Logan (Gown)
Catherine Winslow	Virginia Traughber Meis (Town)
Dickie Winslow	James Meikle (Gown)
Grace Winslow	Helen Crowder Nally (Town)
Desmond Curry	Hans Roettenbacher (Gown)
John Watherstone	Bob Graves (Town)
Sir Robert Morton	Herbert Joys (Gown)
Miss Barnes	Nancy Hoest (Gown)
Violet	Marilyn Morgan (Gown)
Fred	Robert Jackson (Gown)

Homecoming was a grand return of many from '06 to '48, five hundred strong. From the anniversary dinner to the dance, all events were tops. Gay Young, senior, Independent reigned as queen over the weekend festivities. Jack Fina's band provided the musical background for the annual dance. Phil Tinch and Bill Sutherland served as Co-homecoming Chairmen.

Float and House decorations were at a post war peak. To the TKE'S went first place for the House decorations. Delta Delta Delta won first place in the float competition.

The highlight of the weekend was the 35-0 trouncing handed Illinois College in the Homecoming grid contest.

TO STUDENTS . . .

The final section in this yearbook has a most important significance. Once again the merchants, business men, alumni, and friends have made themselves indispensable in the publication of this book. Each merchant or Millikin booster who has an ad or his name in the 1949 Millidek has shared to a large extent in paying for our books, and is therefore deserving of our patronage.

It is our great wish that the students of Millikin will help us to express this appreciation and, at the same time, indicate their own. Please show them this regard and say, "I read your ad in the 1949 Millidek," the next time you visit them in their establishments.

Thank You.
1949 MILLIDEK STAFF.

For 44 Years

we have been printing high school and college annuals

. . . and this year, as in all of the past 44, we note that those first few customers are still among our increasing number of clients.

Such loyalty is a source of much satisfaction to us . . . and we pledge our best efforts to make our annual printing service increasingly helpful to annual staff members. In the future, as in the past, our aim will be to make Huston-Patterson *Blue Ribbon Annuals* the best and finest obtainable anywhere.

YOUR CITY IS YOUR BUSINESS:

Most of you will become business and professional men and women either in Decatur or in another city. As you become identified with your community, you will find that *your city is your business,* as well as the profession or other occupation by which you earn your livelihood. You should, and will be expected to contribute your thinking and your efforts to the handling of those matters which will determine the character of the community in which you earn your living and establish your home.

You graduates who choose Decatur for your home town are welcomed for your youth, your enthusiasm, your approach to our commnity problems, and your willingness to work toward their solution. At this commencement period of 1949, we as "old citizens" invite you to turn your thoughts to the following matters of Decatur's "unfinished business" . . . matters which have a vital effect upon the character of the future Decatur. We urge you, first, to become informed about them, then to join other citizens in working on them for a Greater Decatur in which to live and do business.

Conservation of Lake Decatur as the source of the city water supply and as a recreation center

Parking

Airport buildings and air service

Low rent housing
Job development

Water works improvements

Water mains outside the city

Extension of sewers both within and outside the city

Annexation of adjacent areas which are a part of the Decatur community

This MUELLER *SELF-CLEANING* Shower Head is one of the many outstanding products manufactured by MUELLER CO. The distinctive styling with the gleaming heavy chrome finish, has an eye-catching appeal that enhances the beauty of any bathroom—old or *new!!*

But of course, that is not the only reason that it makes friends and keeps friends!! There is the practical fact that it *CLEANS ITSELF* and forever banishes clogged and sputtery showers—a feature that is appreciated increasingly year after year.

These Shower Heads are available at your favorite Plumber—either the Shower Head alone with a swivel joint that attaches right on to your present installation, or it may be obtained with the Shower Head, Swivel Joint, Arm, and Wall Flange—suitable for either as a replacement, or as a new installation.
—Just ask your Plumber

HERE'S WHY

Every time the handle is turned to regulate the stream from a soft rain patter to a stinging needle shower, 28 Stainless Steel Pins move back and forth in the holes in the face of the head. This action *PUNCHES OUT* all lime, rust or corrosion and keeps the head absolutely clean!!!

LINN & SCRUGGS

We're often asked, here at Staley's just WHAT we make from corn and soybeans. In a sentence or two it is this: from corn we process a long list of starches, sugars, oils and feeds for industry, the farm and the home. From soybeans we obtain soybean oil and soybean oil meal.

When you see the Staley name on a package of starch or a bottle or can of syrup at your grocer's you can be sure that in that package you will find an unusually high grade product that will serve you well.

Ask for these Staley products by name:

STALEY'S CUBE LAUNDRY STARCH
CREAM CORN STARCH
STALEY'S "SWEETOSE" SYRUPS (5 FLAVORS)
CAMEO STARCHING POWDER
STALEY'S STA-FLO LIQUID STARCH

4 Easy Ways to Get What You Want

- Look around you! Observe how little effort the average person exerts to hold his job. To win, then, you need only to do better than the average.

  As little as 2% extra effort and thought can lift you into prominence and leadership.

- Cultivate the habit of carrying through—completing any task you set for yourself, or are asked to do.

  Again, observe how few people do completely finish any job. Think what a wide-open opportunity this easy-going competition offers to the person who will "carry through."

- To merely have ability is not enough! Being able to work agreeably with others is a prime success requirement. No organization likes people who are hard to get along with.

- Save some of your money — regularly.

Sister — that's a lot of food!

...but did you know that Decatur people at CASH VALVE will buy at least that much food this year along with ANOTHER one hundred thousand dollars of Decatur rent, clothing, taxes, and amusements!
And where did this money come from? Why, from all over the world...from the sale of CASH·ACME Automatic Valves... engineered to solve industrial and household pressure problems.

A Milestone in Life

Graduation from Millikin marks the successful closing of one phase of life. It symbolizes completion of well rounded preparation for the business of living and heralds the setting-up of new goals to be achieved—goals that each must choose for himself. This education has sharpened and polished your "tools for living." May you use them well and achieve the success of your own choosing.

A. W. CASH COMPANY

The Millidek Staff wishes to acknowledge the cooperation and support of the following individuals who have helped to make the 1949 Millidek possible:

Faculty Financial Adviser:

GLEN R. SMITH

who contributed time and effort in getting the book on the black side of the ledger and who will hang with the staff if it denotes a tone of "red."

Capitol Engraving

JOE SRONCE

who saved us time and effort with his cutting machine and weekly advice.

Huston-Patterson Corporation

LYNN HISER

who kept the presses rolling.

Pfile's Camera Shop

BOB STRONGMAN

who added an extra hand with the photography.

To Skip Blake for art work beyond the call of duty; and to the Administration, Student Council, Organizations, and Students without whose help and cooperation this book could not have been completed, we extend our sincere . . .

THANKS
